ECNRCD is a not-for-profit municipal entity that seeks to connect local people and organizations to resources to help steward Essex County's land and water for the future. We work directly with land stewards, from individuals to municipalities, to help them access programs that allow them to manage the landscape in a way that benefits human and natural communities. ECNRCD is governed by a local Board of Supervisors who reside in Essex County.

Interested in being a part of locally-led conservation? The ECNRCD Board of Supervisors has a vacancy. Interested parties should contact ECNRCD District Manager, Sam Mayne, at [essexnr.cd@gmail.com](mailto:essexnr.cd@gmail.com) or 802-424-5353.
