A zoning permit is required prior to ALL land development, defined as the division of a parcel into two or more parcels, the construction, reconstruction, conversion, structural alteration, relocation, or enlargement of any building or other structure, or of any mining, excavation, or landfill, and any change in the use of any building or other structure, or land, or extension of use of land (Bylaw §502 (1)). If the application is found to be complete, the Zoning Administrator will issue a decision within 30 days. Incomplete applications will not be processed.

Please note:

- (1) According to §322 Initiation of Construction: Construction may not be initiated under a Maidstone zoning permit for projects requiring an Agency of Natural Resources Waste Water and Potable Water supply permit until such permit is issued by the Agency under 10 VSA Chapter 64.
- (2) The property owner/applicant is required to post an approved building permit within view of the public right-of-way most nearly adjacent to the subject property until the Certificate of Project Completion has been issued.

6. Copy of Plot Plan attached: (Circle one) Yes No Town Hall has a copy from previous permit
An accurate plot plan, drawn to scale, showing a detailed footprint of the proposed construction of the new building, addition, or accessory building, as it relates to property lines, road, and shoreline, must be submitted with this application. The drawing must include dimensions to finished grade. A certified survey plat is required for all subdivisions; the Mylar needs to be recorded with the Town Clerk within 30 days. No permit can be issued unless the Mylar is received. Applications for Signs must include a drawing of the proposed sign depicting the exact dimensions of the sign(s) and the installation location.
7. You may be required to obtain one or more State permits before you begin your project. Please contact the Community Assistance Specialist in the St. Johnsbury Department of Environmental Conservation office, Jeffrey McMahon, to assist you in determining which State permits are required. Jeff may be contacted at (802) 477-2241, or by email at jeff.mcmahon@vermont.gov.
8. The Vermont Shoreland Protection Act, effective July 1, 2014, as well as Maidstone Zoning Bylaws, regulates any land development and/or change to land use within 250 feet of Maidstone Lake's mean water level, such as new construction, renovation, tree or vegetation removal, or additional parking/driveway(s). A State permit or Letter of Determination is required from the State of Vermont. It is strongly recommended that applications to the State be submitted at least 45 days before the proposed beginning date of the project. Please see the [Zoning Page](#) on the Town website or the Vermont Department of Environmental Conservation's [Shoreland Permitting Page](#) for further information and for Shoreland application forms. If you are unsure as to whether your project requires a Shoreland Permit or Shoreland Registration, please fill out the [shoreland project worksheet](#). Call (802) 490-6200, or contact Laura Woods at laura.woods@vermont.gov, (802) 490-6100, for further information.
